Those school girl days
Of telling tales and biting nails
are gone
But in my mind
I know they will still live on and on

But how do you thank someone
Who has taken you from crayons
to perfume
It isn't easy, but I'll try

If you wanted the sky
I would write across the sky
in letters
That would soar a thousand feet high
To sir with love

RAIDERS

The time has come
For closing books and long last loves
must end
And as I leave
I know that I am leaving
my best friend

A friend who taught me
right from wrong
And weak from strong
that's a lot to learn
What, what can I give you in return

# DEDICATION

The class of 1987 has many people to thank for helping us work towards attaining an important educational goal: college graduation. We'd like to especially thank Jeanne M. Julian for her unselfish dedication during the past four years by dedicating this volume of Tekoa to her. Although Jeanne has many responsibilities as Staff Associate of Institutional Advancement, she is always willing to take the time to offer her assistance whenever and wherever possible. She contributes much to the college community through her many talents and heart-felt enthusiasm. A sincere thank-you, Jeanne, for being such a truly caring and giving person.

Dear Graduates:

You are a special graduating class. You have come through a trying time. Some of you may have doubted whether it was worth it.

It was. We are coming back into our own. As students, you led the way. You displayed more intelligence, leadership and courage than anyone else. You set the standard. You kept us proud.

This College is deeply grateful, and we know that those qualities of endurance and balance will support your memory of our times together in the past; and your success and achievement in the future.

Sincerely,

Irving H. Buchen
President

There are many faculty to thank for all their hard work and dedication to the school and their students. Although we tried, it was difficult to capture all of them on film. I think that they are all worth mentioning even if their photograph couldn't be included in this book. I think all of the faculty are special and deserve proper recognition. This is a sincere thank you from the TEKOA staff.

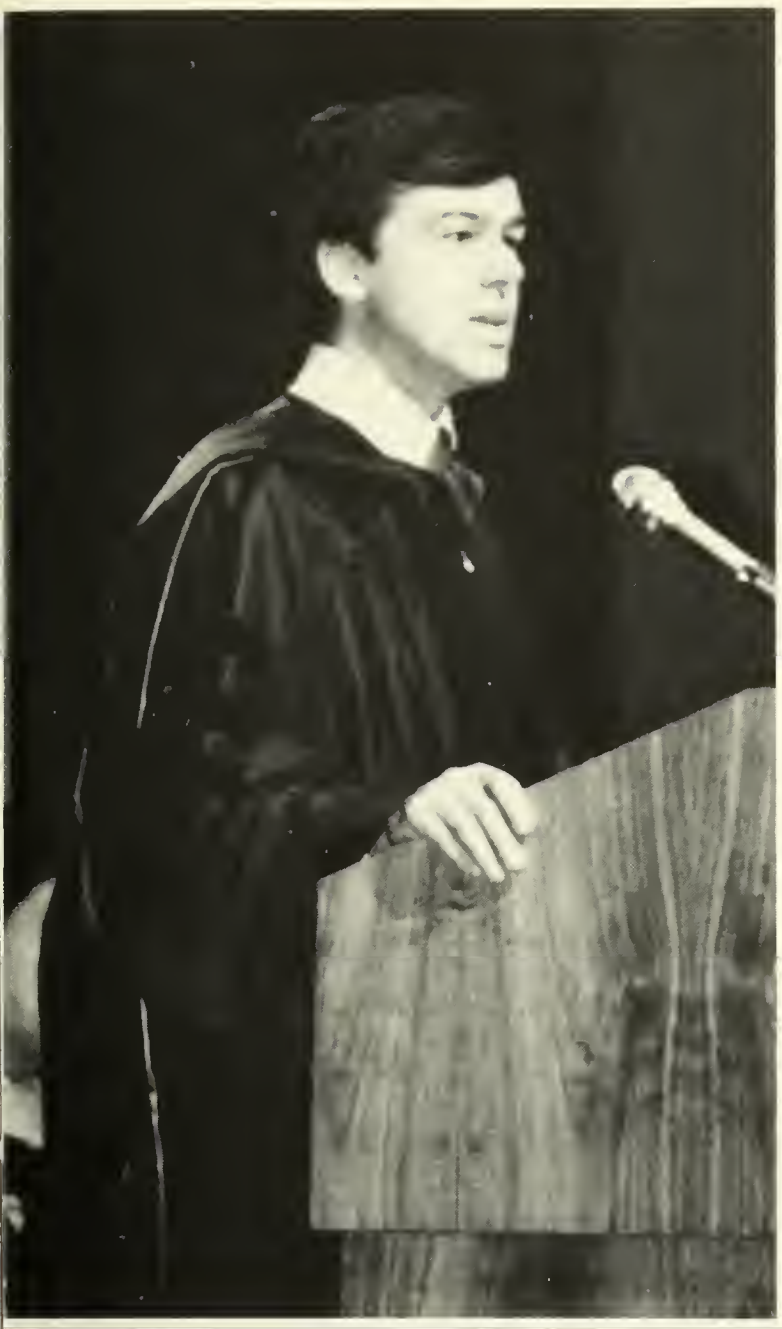
CONVOCATION



On Wednesday, September 24, at 3:00 p.m. in Dever auditorium, the seniors were capped by faculty members which marked the opening of the academic year. A bagpipe procession across the campus began the event with music by the chorale and wind symphony throughout the ceremony.

James G. Collins spoke at the event. James Collins served as State Chancellor of Higher Education between July and September of this year. He was a member of the Ways and Means Committee, and chaired the Education Committee and special legislative commissions on unequal educational opportunity, nuclear safety, and the performing and visual arts.

He is involved in a lot of community activities and is a board member of the New England Board of Higher Education, the Boston Museum of Science Corporation, and the Boston Ballet Company. He is also a member of the National Board of Jobs for America's Graduates.

The seniors were quite excited to be initiated into their senior year. You could tell just by looking at them that they were also upset to be leaving Westfield and the friends that they had made here. As they marched onto the stage in Dever, there was a look of accomplishment in their eyes. They were proud to be seniors of Westfield State College.

Westfield State College was well represented last fall by the success of the Varsity Men's Soccer Team. The team compiled on overall record of 14-4-1 and a MASCAC record of 5-1-1. The members of the squad had a positive attitude towards the season and this turned out to be one of the key factors of their success.

The team was led by seniors Doug Vigliotta and Jon King, and junior Joe Conry, all of which were captains. Sophomore Mark Gonsalves (17 goals, 4 assists), Conry (7 goals, 8 assists), and Vigliotta (8 goals, 5 assists) led the Westfield scoring attack while fullbacks Bob Fleming, Rudy Veldwijk, Pat Sullivan, John Riordan and goalie Chris Ochtera (.83 GA, 4.75 SHO) held down the defense.

This season was highlighted by many key games including a 2-1 victory over Kean College of New Jersey, a 3-1 win over a strong East Connecticut State, and a 3-1 triumph over Roger Williams. The biggest win of the year was a 2-0 decision over Salem State. At the time, Salem was ranked in the top ten in the nation and had not lost a conference game in three years. This was considered by many the upset of the year in college soccer.

Westfield was lucky enough to be chosen as one of the eight New England teams to move on to post-season play. In their first game of the ECAC's, however, they were beaten 2-1 by Connecticut College in the final minute of play. Coach Jim Fonte was pleased with the season and is preparing his squad for another fine season.

The Women's Volleyball Team began its season with only two returnin players. They were co-captains, junior Renee Gawlinski and sophomore Ros Duerr. Gawlinski and Duerr led a strong starting team of Laurel Ainsley, Lis Weinberg, Stephanie Howard, Coreen Gortze, and Patty Morano.

Most of the team had no experience with varsity volleyball, but they did con siderably well. They worked hard under fourth year Coach Steve Jarvis. All pla to return next season to make that season even better.

This year's MVP Award went to the only senior on the team, Patty Morano Morano, who never played volleyball before this year, will be missed for he dedication and spirit.

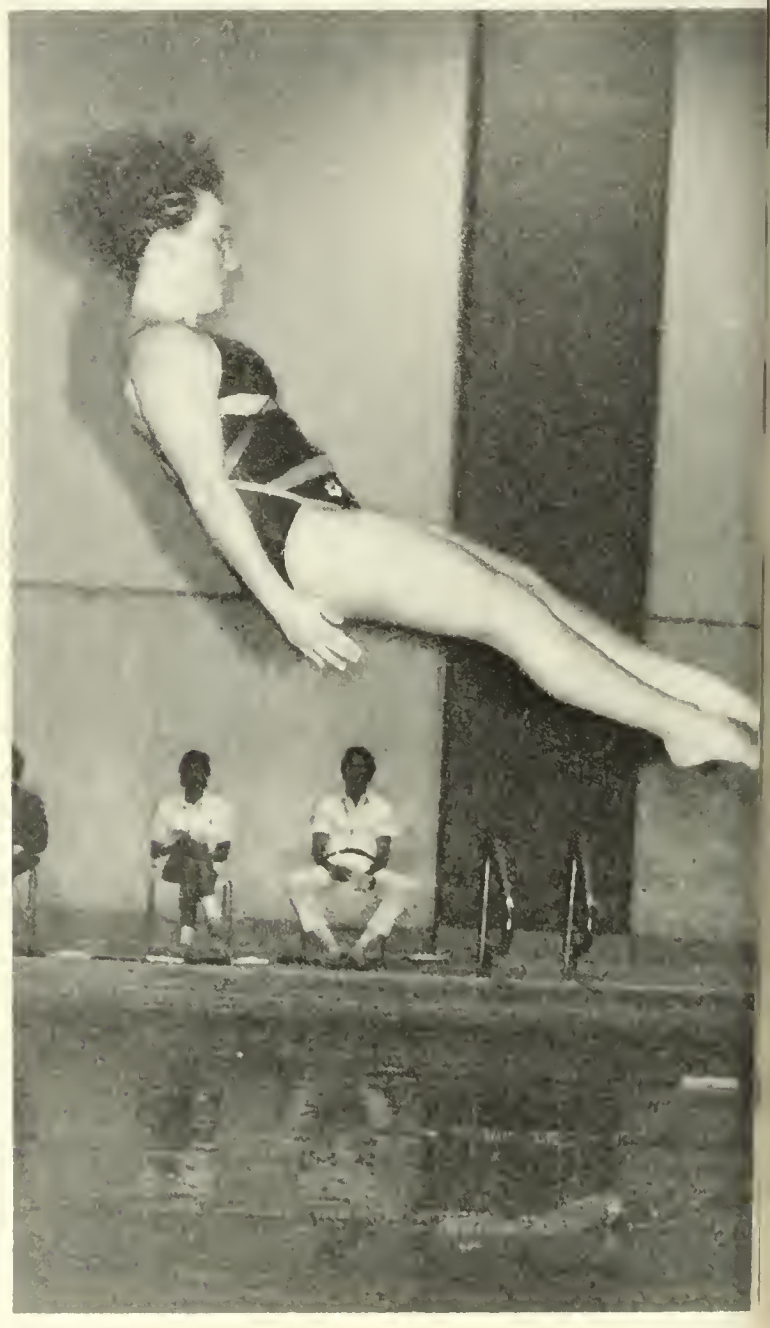
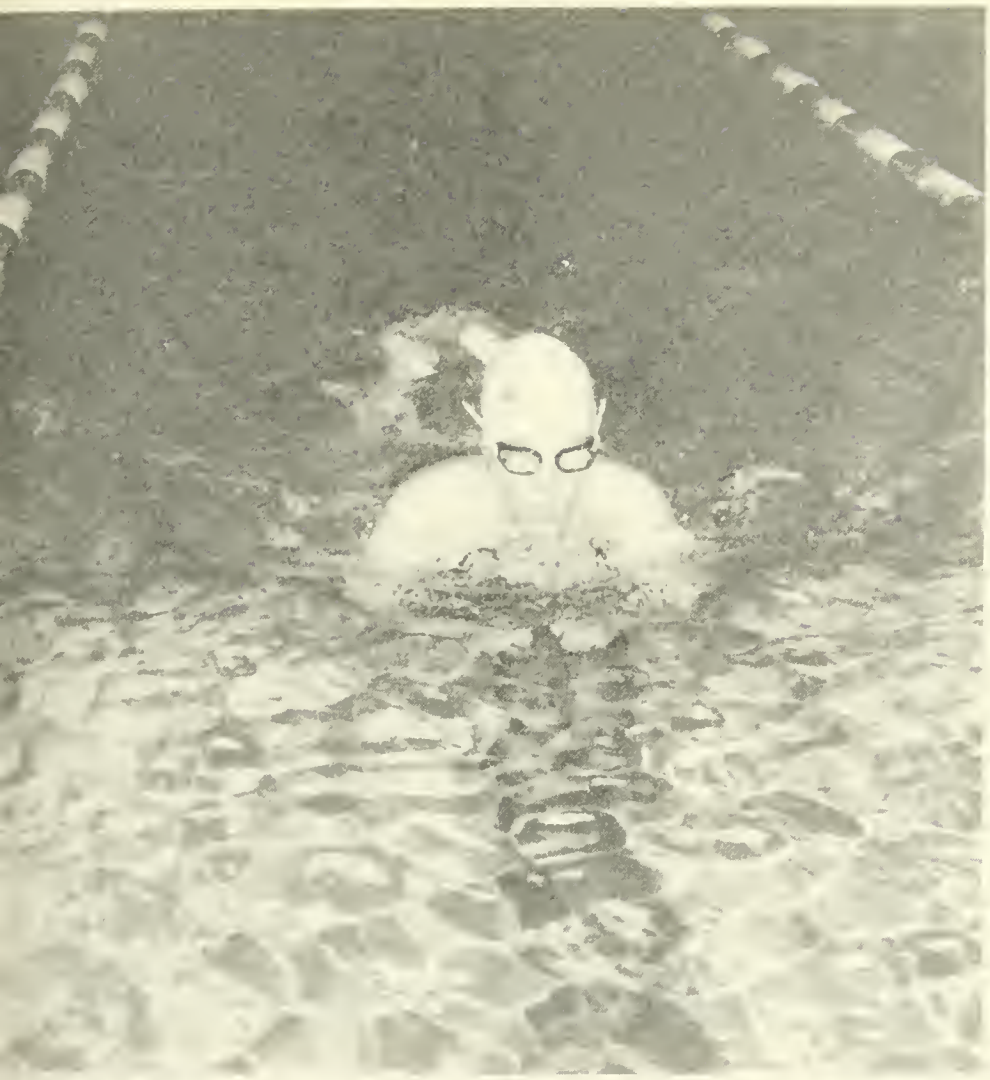
This year, as in the past, the Men's Volleyball Team played well but did not have the record to prove it. They ended the season with a 5-14 mark.

Led by senior co-captains Brent Dawson and Jack Hyland, the season did have several highlights. The most impressive of these came against the Merchant Marines down in Connecticut.

Led by strong net play, and the superstar setting of Steve "Hands" Boudrot, the team rolled to a 15-4, 15-2 victory. This left an encouraging mark for the future of the team.

This year's team consisted of a number of seniors including: Matt Boland, Pat McAndrews, Andy Nelson, Mike Bertrand, and Michael Keop. Aside from the loss of these key players, the only sore spot is that head coach Steve Jarvis is leaving Westfield for a more lucrative coaching career.





The 1986-87 Women's Varsity Swimming Team had a very successful season. It was the first winning season in the team's history with a team record of 4-2.

The season ended with the team scoring 120 points at the New England Championships. This was a great accomplishment because the swimmers had never scored points at the meet before. The women swimming in the meet scored points in nine of the 17 events they entered. They finished 20th out of 26 teams.

The team will lose one senior, team captain, Debbie Sambrook. Debbie was also team captain her junior year. She was the record holder in the 5, 100, and 200 yard Breastroke, and a member of the 200 and 400 year Medley Relays.

Under the guidance of Coach David Laing, it was a truly rewarding season for everyone involved.

The Westfield State Lacrosse team finished the 1987 season with its first losing season in ten years. Although the team went 3-12, a number of bright spots shined throughout the year.

Junior captain Rob Quinn led the Owls in the scoring from the midfield with 4 goals and 19 assists for a total of 60 points. Contributing to the offense a attack were senior captain John Funaro (27 goals, 23 assists; 50 points) and junior Jim O'Donnell (15 goals, 16 assists; 31 points). Funaro ended off his career with a total of 77 goals, 77 assists/154 points, good for 6th place on WSC's all-time scoring list.

Rounding out the backbone of the midfield were captain Jon Izzo, "face-off" specialist Nick Brown, and Dave Anthony. Anchoring the defense were senior Mike Zooleck, Dave Tse, and sophomore John MacNeill. At season's end captain Zooleck was honored with the team's MVP/Coaches Award.

The 1986 Westfied State Women's Soccer Team experienced their best season in four years, gaining an ECAC play-off berth and posting an overall record of 9-7-1 this past fall.

The highlight of the season was a 2-1 victory over perennial soccer power Plymouth State. The winning goal was scored by senior Karen MacQuilken. The home turf proved advantageous for the Owls, as they posted a 7-1 record there. The team's lone loss of the season was to Division II leaders, New Hampshire College, 1-0.

Senior co-captain Tammie Maruco was the leading scorer for the Owls with 14 goals and five assists. In goal, sophomore Lori Welch displayed outstanding talent with a goals against average of 1.75 and five shutouts. Returning co-captain Tricia Crowley, along with Maruco, anchored the defense.

Two Owl records were shattered this year by senior co-captain Maruco. She scored 14 times to gain the most goals in a single season. The four year veteran had a career total of 80 points to become the Owls' all-time point leader.

With 11 veterans returning next year, the Owls Women's Soccer program future looks very bright.

The Men's Tennis Team had a very successful season under the guidance o first-year coach, Tom Millette. The team finished second in the conferenc with a 6 and 1 overall record in conference play.

The team was undefeated all season in conference play until the last tourna ment with North Adams State, who were also undefeated. It was the classi "winner take all" tournament, which they lost by a score of 4 to 5.

"Considering that the men's team had not won a match in the previous tw seasons, I think our team made an amazing comeback," said Coach Millette Westfield says goodbye to seniors Mike Bertrand, Darrin King, and Stuar Szmaciasz.

The 1986 tennis season was an overall winning season with a record of 6 wins and 4 losses. One of the highlights of the season was that two victories, at Rhode Island College and Mt. Holyoke College, marked the end of long losing streaks.

Another highlight of the season was that the team scored 3 points at the New England Conference. This was done by 2 preliminary victories by Sandy Pires (#4 singles), and a first round upset victory over Bates in first doubles by Kerrin Taylor and Robin Capone.

A low point of the season was the loss of the Conference Championships to Bridgewater. It went to 3 sets, second doubles, in the dark.

WESTFIELD
STATE

This was labeled a rebuilding year for the Westfield Ice Hockey Team. The team hasn't had a winning season since 1982-83, when they posted a 13-12-1 record. This season the team was under the direction of first year coach Gerry Healy.

The team ended the season with a record of 2-14. The obstacles that the team faced this season were many. Five of the first and second line players were out with injuries. All five were key players.

The stress this year was on academics before hockey. Westfield was of national interest because of this. "These kids aren't going to go on to play in the pro's," Coach Healy said, "they're here to get an education so they can get a job when they graduate." Senior captain Don Lincoln was convinced that "in the long run this academic discipline will more than pay off."

Lincoln and junior captain John Krim head up defensive unit this season. Lincoln was 5th on team in scoring this year. He was also named to the 1986-87 MASCAC All-Conference Team. With defense as the high priority of team, Sr. Tim Naze and Sr. Captain Jim Healy will provide leadership in the net. The team's leading offensive charge was junior Don Palmer.

At the close of the season, the Men's Hockey Team loses seniors Don Lincoln, Tim Naze, Jim Hailey, and Bob Munser.

eam Members: Jim Hailey, Roger Grimes, John Krim, Don Palmer, Mark Ouellette, Scott O'Brien, Kevin Craig, Rob Fabrocini, Don Lincoln, Garry Garland, Stephen Goslin, Bob unger, Stephen Pacific, Dwight Lowe, Tim Morgan, Gary Balentine, Sean Themelli, Gary Blandy, Brian Lincoln, Jim Williamson, Bob Salvador, Billie Ferreira, Philip O'Connell, Tim aze, Peter Oshana, Darren Barnes, Garrett Cooper, Gerry Goodwin. ## Women's Indoor Track

The Women's Indoor Track Team had a great year under the direction of Coach W.F. Newhall. The team won the W.S.C. Invitational Meet and was ranked **Top 10** in Division III.

The team had five people qualify for the ECAC meet, two people qualify for the N.E. Division II, and one member of the team, All American Kathy Norton, qualify for the 1987 Nationals.

Senior Kathy Norton played a very important role in the success of the team. The four year veteran qualified for the ECAC's and the N.E. Division III Championships in her first week. She went on to qualify for the Nationals in the 3000 and 5000 meter. She also placed as one of the top four in the 3000 at the N.E. Division III. She became All American at Chicago, placing 8th in the 5000.

Junior Renee Gawlinski, a 3 year veteran on the team, also qualified for the ECAC and New England Division III Championships. She went on to place 7th in the ECAC's, and placed in the top 50% at the New England Conference.

## Women's Cross Country

The Women's Cross Country Team, coached by Carolyn Dewy, had a good season. The team placed 3rd in the Amherst Invitational, and 2nd in the MASCAC Championship. They also placed 7th in the ECAC Championship, and 5th in the NCAA Regional Qualifying.

The team will suffer the loss of five seniors, all of whom shared a close friendship throughout their cross country careers. They are Ann Dever, Julie Hynes, Lynda Hull, Kathy Norton, and Debra O'Connell.

Senior Kathy Norton had an outstanding season, placing second in the Conference. North will be sorely missed, but the remaining under-classmen should have a successful season next year.

## Women's Outdoor Track

The Women's Outdoor Track Team, coached by W.F. Newhall, finished the season with a 12-2 record. The main highlights of the season were the team's first place finishes in various meets. Westfield placed first at their own WSC Invitational Meet, and in the meets against Amherst, Williams, Lowell, and Bentley.

All of this season's team members worked hard toward their goals. Lisa Belvery, Linda McDonald, and Gina Ray were all participants at the ECAC Championship. MacDonald and junior Renee Gawlinski had an outstanding season, becoming All-New England. Gawlinski also placed 7th at the ECAC's in the Hammer Event.

Senior Kathy Norton is an athlete who will be truly missed by Westfield. In her 4th season on the Outdoor Track Team she was MVP, became All-New England, and went on to qualify in the NCAA Championship in the 5000 meter. Norton also became All American in the 3000 meter.

Kathy Norton will be missed, but the remainder of the team has plans to continue their success.

## Men's Indoor Track

The Men's Indoor Track Team has a history of winning. This season the team sought to continue their success with Coach Jerry Gravel, and senior co-captains John Otrando and Mike Keegan. The senior squad included Mike Hanley (distance), Rich Ward (sprints), Keith Rice (sprints), and Paul Fratini (distance). Ultimately, the team finished the season with a 12-2 record, placing 7th at the New England Division III Championships.

There was an excellent showing at the meet at the University of Connecticut with junior Andrew Fronczak on the shotput, senior John Otrando on the weight throw, junior Paul Murphy on the 400 meter dash, and junior Ken Parece on the ½ mile. The team also participated in their 1st Mass. State College Athletic Conference (MASCAC).

Westfield had many team champions this season, with three national qualifiers, five for the New England Championships, and fourteen for the N.E. Division III Championships. This year's outstanding athletes are Lenny Alson, Peter Mole, Curtis Alston, and Miles Woodhouse, all of whom are All-Americans.

## Men's Cross Country

At the start of the season, the Massachusetts State College Cross-Country Champions sought to defend their title under the direction of new coach, W.F. Newhall. The team also sought to challenge their #6 ranking in the New England Division III.

Westfield started the season with a first place win over four other schools at the Amherst College Invitational. The team also placed first in the Codfish Bowl over Salem State.

Sophomore Mark Smith broke the course record with a time of 23:10 at the Dan Doyle Invitational. The team also won first place at the Mass. State Athletic Conference Champions.

Despite the loss of seniors Mike Keegan, Mike Hanley, and Paul Fratini, next fall's team should do as well, if not better.

## Men's Outdoor Track

The Men's Outdoor Track Team had an outstanding season coached by Jerry Gravel. They had a 16-2 record, became MASCAC Champions, and won their own W.S.C. Invitational Meet. Other accomplishments of the team were placing 7th at the Eastern Championships and 5th at the New England Division III Championships.

All the athletes worked hard to make those accomplishments. Those that did outstanding jobs this year are Roy Bain, Peter Mole, Miles Woodhouse, Rodney Smith, Dave Otrobinski, Jim Forest, and Greg Callahan.

Junior Andrew Fronczak will be back for another season after his outstanding achievements this year. Fronczak was All-New England All-Conference, and placed 7th at the NCAA Division III in Chicago.

Despite the loss of some strong seniors, Coach Gravel will return with a promising team for next season.

# PLAYBILL

A Chorus Line" was directed by Jim Whalen, choreographed by Anne dwards and the music directors were Steve Murphy and Chris chlagel. Casting was a difficult process but once the final cast list was ecided upon, everyone worked as hard as they could to make it the est show ever. The show itself is a difficult one to perform because of e intense feelings you need to "get into character." The theme of "A horus Line" is to show the audition process to get a part in the chorus a Broadway show. The parts were quite emotional ones, but the embers of the cast portrayed their characters quite well. The rehearals were long and tiring, but the commitments from the cast embers helped the show tremendously. Without the dedication from e cast, crew, production staff, and sponsors the show could not have een a success. And it was.

Brigadoon" was directed by Chuck Parker, and choreographed by sa Brodrick. The music director was Chris Schlagel and the pit was onducted by Jim Axton. This show is quite different from "A Chorus ne" because it is a very dreamy, romantic fantasy. Like in any other oduction, there were problems in casting and rehearsal schedules, ut the cast combined their efforts for another outstanding performce.

gain, MTG out-did themselves both semesters. Everyone involved ut 110% into the show. The casts and crews thank the sponsors, ohn Morytko for the photos, Media Services for the video equipment, e people that helped with costumes, sets, lights, and the support that e cast got from their friends, roommates, professors for all those late apers etc., and everyone else. They all participated in one way or nother and produced two wonderful shows.

WESTFIELD

Upon our arrival at Westfield State College in our freshman year, it was said that college would be the best times of our lives, and that the friendships we established throughout the next four years would bring everlasting memories.

All of us can think back to the happy times as well as the sad times and, most of all, those seemingly unending days of frustration. Memories . . . of dropping out of school at least five times a semester, of crying over heartbroken relationships, of flunking those tests we studied so hard for (and the ones we didn't study so hard for), of the great depression of not being able to get into Kelleher's, and so on . . . Thinking back to all those times, we realize that our friends were the ones to pull us through over and over again.

The class of 1987 has grown from 700 individuals to a group bound by unity with one another. The class as a whole had to experience a lot of changes on the campus of Westfield State College during our senior year, but through all those times of anxiety and frustration we pulled together and pulled through.

The Class of 1987 . . . a class of friendships, unity and change . . . here's to you Seniors! The class Westfield State College will never forget.

I wish you the best of luck in reaching your lifetime goals.

We thought the years would slowly pass
Boy were we mistaken
They flew on by before our eyes
Our futures in the makin'

We made some friends, we lost some too
It's all because we're changing
The friendships now will take the test
'Cause our lives we're rearranging

It's time to go our separate ways
But closer still we'll be
We'll share our stories when we speak
And more so when we see

We'll visit, chat, and laugh out loud
At all the fun we had
The tears will flow like rivers wide
And yet we won't be sad

For friendship is a special thing
It's something we all share
Be glad that we're so fortunate
Be glad that we all care

Go on to live your lives and learn
The secrets life holds dear
No matter where your paths might lead
The answers will be near

Friendship is the **key** to life
It lets you carry on
Regardless of life's little curves
It brightens each new dawn

Take its strength, use it well
Transform a brand new nation
Use what you've learned and what you've known
To carry on after GRADUATION

REMEMBER

You're all my very dearest friends
Your friend I'll always be
No matter what the future holds
You can always count on me

A pat on the back is only a few vertebrae removed from a kick in the pants, but is miles ahead in results.

## Growing Up

As any youth can tell you,
Growing up isn't easy.
Then again, we always knew
Nothing is light and breezy
Put up with the toil and strife,
Ignore the quarrels with friends,
'Cause this is all part of life
And you'll find it never ends.
When you look in the mirror,
Do not feel an ounce of shame,
Because as age comes nearer
That face just may bring you fame,
Remember the good times and bad.
Don't forget all of the past
Bur cherish the fun you've had
To make the joy from it last.
At the same time look ahead
To your dreams and goals set high
Because a wise man once said,
"You can do it if you try!"

# Editor's Note

I had no idea what I was getting myself into, when I took on the responsibility as editor of the yearbook. When I was a freshman entering Westfield State, I wanted to get involved with the yearbook because I thought it would be fun. I was the only freshman on the staff, but I said to myself that by my senior year I wanted to be editor of my yearbook. Well here it is my junior year, and I am the editor.

At first the job overwhelmed me, however I am glad that I took the position. The things that I have learned since that day will help me in the years to come. It has helped me to organize my time and my thoughts and how to handle people. It has also placed me in many new situations where I have had to take command. I am grateful that I was given this opportunity.

There are a lot of people that helped me when I thought I couldn't go on and without who this book could not have been finished. I would like to thank Bob Mailloux and John Morytko who were very important in leading to the completion of this book. I turned to them whenever I had a problem and they were there for me. I could always count on them and I thank them for that.

John Morytko, Bill McMullen, Renee Gawlinski, and John Moreau who, along with their staff, took the most beautiful pictures whenever I asked. And I asked a lot.

Then there was my staff:

My roommate — Cheryl Nelson, what can I say? You were there for me whenever I needed something done or a helping hand. Your dedication to me and the yearbook was terrific and really kept up my momentum. If you weren't there assisting me with the yearbook, and the other stressful things in my life, I probably would have had a breakdown during this last semester. Even when you had exams, papers, and other work to do, you helped me. You even came over during the summer when all the last minute things had to be done. I just wanted you to know that I thank you and appreciate it immensely. You are the best. Of course, you're my roommate.

Linda Backner, you were one of the pillars of strength of this book. You helped in any way that you could to take some of the pressure off of me and even though I was still always stressed, it helped a lot to know that you were there. You also came to the rescue during the summer when I had deadlines to meet and layouts to finish. You came over and worked with me to get them out on time, and I thank you.

I need to thank Paul Campbell who did much more than anyone ever asked. Without having to ask him to do things, they were already done. I want to thank him for keeping me going during the rough times when I didn't feel like working anymore. Thank you Paul.

Scott Amaral. I can't believe how much time you put into this book second semester. You obviously wanted this book to be the best and it shows. Even while you had many things to do as a senior getting ready to graduate, you still had the time to help me out. I thank you from the bottom of my heart.

The rest of the staff, Gina Innamorati, Marge Slater, Dave Hathaway, Wendy Casey, Cathy Cryan, was wonderful. They were always there with new ideas and fresh thoughts. They did things on their own time as well as the allotted time at the meetings. Without them, a lot of things wouldn't have been done and I know I couldn't have done it without them.

If there is one thing I can say about my staff, it is that they were dedicated to making this book one of the best books ever. I hope you, the class of 1987, appreciate this book and will look back on it, and your years at Westfield, as an experience that was captured by the pictures and faces you see in this book, TEKOA 1987.
